

Business Writer/Editor

Frontier is a UK-based business research and information firm covering emerging markets. We opened an office in Cairo in late 2015, and in January 2016 launched the Egypt Energy Monitor (energy.frontieregypt.com), a subscription-based service providing detailed, timely and accurate information on the Egyptian oil and gas, renewables and power sectors.

We are now looking to hire a native English speaker as a Business Writer/Editor to work on our subscription and report products, with a specific focus on the power and energy sectors.

The job will involve:

- Writing original business news briefs
- Copyediting and subediting a range of content
- Contacting and interviewing companies and government bodies
- Researching and writing company profiles
- Monitoring and reviewing media and other sources of information
- Collecting economic, business and trade data
- Attending conferences, trade fairs and other networking events
- Working closely with other staff

The ideal candidate will:

- Be a native English speaker, ideally already based in Cairo
- Have at least two years of relevant experience, e.g. business journalism, editing, market research
- Have excellent attention to detail and accuracy
- Have an understanding of key Egyptian business and economic issues
- Be comfortable with speaking to and visiting companies and government bodies
- Be motivated by working in a small team with potential to grow over the coming years

Salary: Dependent on experience

Start date: ASAP

Interested applicants should please send a CV and short covering email to Alex Warren at alex.warren@frontiermea.com
